

## HIGH RISE BUILDING SERVICES

City Purchasing seeks to understand the availability of woman and minority owned companies that do the certain services for high-rise buildings. The Seattle Municipal Tower is 50,000 square feet of high-rise space, and City Purchasing wants to understand how to maximize WMBE opportunities for specialized services in such high rise space. If you are a woman or minority owned business that performs any of the following, particularly in high-rise space, please send an e-mail to [nancy.locke@seattle.gov](mailto:nancy.locke@seattle.gov). Please specify:

That you have experience in high-rise buildings,

1. The specific type of service you provide,
2. Whether you are self-identified as a minority or woman-owned business
3. Your name, company name, contact information

Specific services of interest are:

- HVAC maintenance
- High rise Janitorial Building services
- Landscaping maintenance
- Generator services
- Pest control for parking garages and exterior spaces
- Annul Fire Extinguisher certifications
- Escalator/Elevator Maintenance
- Interior High Rise Window Washing
- Exterior High Rise Window Washing
- Exterior High Rise Granite Cleaning

Thanks for your help
